

Boston Interactive Meal - Food Based Experience

teambuilding.com partner In-Person 120 min 10 - 75 guests \$250 pp

Our teambuilding.com partner's Boston Interactive Meal is a fun and interactive dining experience thatâ€™s both your meal AND your activity, all-in-one. A four-course meal is the foundation, with engaging activities interspersed throughout, for a perfect balance of structured activities and unstructured time to relax and enjoy conversation with clients or co-workers. Better than simply making a group reservation at a restaurant or just booking a private dining room, your dedicated Host invites guests to "Play With Your Food" in our partner's classy-and-quirky style.Â

From making and shaking your own cocktail to food & drink trivia with prizes to the signature Flavor Finale experience, your guests will be surprised and delighted with a unique and memorable dining experience thatâ€™s anything but boring!

Pricing starts at \$250 per person for casual dining with the option to upgrade to upscale or fine dining.
