Our teambuilding.com partner's North Beach Food Tour includes 4-courses featuring appetizers, an entree, and dessert with the option to upgrade to include three alcoholic beverage pairings. These tours focus on quality over quantity, but we promise you won't leave hungry! Here are some possible tastings to satiate your curiosity:

- Famous tomato-based seafood stew - Cioppino - invented by an Italian fisherman in San Francisco!
- Authentic Italian wood-fired spinach parmesan pizza from the West Coast's oldest pizza oven - Voted No. 3 Best Pizza in the US by People Magazine's Pizza Search
- Croquettes in a trendy alleyway cocktail den featured in The New York Times
- Hand-filled authentic cannoli
- Modern Day Pisco Punch, a nod to the historical invented during the SF Gold Rush cocktail
- Hearty gnocchi alla Gorgonzola

You'll visit 3-4 of the best restaurants in San Francisco's North Beach, featuring hot spots (our partner's guests skip the line) and hidden gems. All of the restaurants not only serve outstanding food and drinks, but they also have a rich story to discover.
