10 minutes

Games & Activities

This experience is designed to move your team past basic (and boring) icebreakers and learn to get to know each other in ways that will be fun, comfortable, and a little unusual. Participants might engage in activities like crafting a team roast, speed-dating style breakout room chats with fellow guests, and sharing strange facts. 60 minutes

Custom Lightning Round (trivia based on what we learned about your team)

Throughout the event, hosts will be taking notes on the team tidbits shared. In this final round, hosts will quiz guests and test how well they've been listening and getting to know their coworkers in an on-the-spot, personalized game of virtual trivia. 10 minutes

Conclusion + wrap up

The host will recap highlights of the event and draw the experience to a happy close. Before sending guests off, our team will snap a photo so that your group can remember what a great time they had together. 10 minutes
