Youâ€™ve chosen to have your brain split into two separate personalities: your work-self and your home-self. Luckily, you get to be the work-self, which means you never have to leave the office ever again (yay!). Plus the new company you work for is definitely NOT an evil cult set on world-domination (we promise ðŸ˜€).â

In this 60-minute immersive, escape room experience, your team will meet a cast of colorful (and definitely NOT evil) characters, solve puzzles in each department, and work together to try to escape the office once and for all.
As the story unfolds, it will test your team's collaborative puzzle-solving abilities and stretch the limits of their imagination. Expect twists, turns, and surprises that will keep you on the edge of your seat throughout the entirety of this 60-minute mind-bending experience featuring our expert event facilitators.

The game is enjoyable for fans of the show and folks who've never tuned into an episode.â

Remember: The Greater Good Requires Collaboration. Time to Strengthen the Collective.
