Agenda

Welcome to Superhero Academy

Our expert hosts will personally receive your guests and offer a detailed introduction to the experience that sets the tone for fun and teamwork. This crucial 10 minutes step ensures that everyone is well-informed and prepared for the delightful journey ahead.

Superhero Team Formations	
Hosts will divide the group into teams. Each team will pick a squad name, leader, and salute. This stage establishes group identity and team dynamics and primes each unit for optimal teamwork in the upcoming challenges.	10 minutes
Heroic Training Challenges	
These first games task the team with using their brains. Groups work together to solve puzzles and creative tasks. For example, teams might need to invent a superhero persona and come up with a costume for this hero, or solve riddles and word puzzles. This portion of the game is about group decision-making and relationship-building.	30 minutes
Gauntlet Games	
This half of the event is the "brawn" to the previous part's "brains." Groups will compete in a series of physical mini games. For example, drawing or tower-building challenges. This portion raises energy, boosts communication, and encourages teams to assess and utilize each members' strengths.	30 minutes
Wrap Up	
Your host will calculate the points, reveal the winners, and provide insightful debriefs. A team photo will be taken as a memento, and the event will culminate with an energizing team cheer, leaving everyone on a high note.	10 minutes
