## Agenda

### Welcome + setup

Our charming host will greet your guests as they arrive and will explain the event flow and activities. This step sets the tone of the experience and outlines what guests can expect for the next 90 minutes. Namely, a collaborative competition inspired by Halloween and classic game shows and designed to create friendships, forge bonds, build skills and inspire strong teamworkâ€” each game with a specific intention to strengthen key teamwork skills.

### Team formation + initial challenges

In the team formation round, participants work together to choose a team name and assign a spokesperson. This phase plays a pivotal role in establishing the necessary structure and promoting positive group interactions, regardless of group size. Groups solidify dynamics and practice their teamwork with their first set of tasks.

### Halloween Jeopardy!

Our take on Jeopardy --> Teams work together to answer Halloween-themed questions from our specially designed Jeopardy Board app. Teams can pick between a 10, 20, 30, 40, and 50 point question. After picking a question, each team has 10 seconds to lock in an answer. If 25 minutes they get it wrong, other teams get a chance to steal the points. In classic gameshow fashion, all answers must be phrased in the form of a question.

### Halloween Triangle

Our take on \$100,000 Pyramid --> One person from each team gets to be a clue giver who has to quickly communicate words to their teammates without saying the words themselves.

10 minutes

### Halloween Feud

Our take on Family Feud --> Teams guess the most common (not the most correct!) response to a Halloween themed poll question. They earn more points for more popular answers. We play this game round robin style so all teams get to guess on all categories.

25 minutes

### Final Jeopardy!

Teams get the chance to decide how many points they wager, then we ask a difficult question. If a team gets the answer correct, the points they wagered are doubled. If a team gets the answer incorrect, they lose all points they wagered. This round pairs a Halloween knowledge quiz with group decision-making.

### Winners + wrap-up

Your hosts will carefully tally up the points, announcing the winners and culminating the event in a tone of celebration and unity. In commemoration of your virtual Halloween event, our team will capture a group photo and the event will conclude with an uplifting team cheer.
