**4.97 / 5.0 rating** on 681 reviews

Virtual + Hybrid 120 min 10 - 1,000 guests \$60 pp

Step into the captivating world of storytelling with our immersive and educational workshop designed to enhance engagement within your virtual team. Led by our master storytellers, this experience will equip your team members with key techniques that we use in our company every day to create impactful connections and foster meaningful engagement.

Throughout the workshop, our expert storytellers will share their valuable insights and proven strategies for crafting compelling narratives. They will guide your team through the art of storytelling, highlighting the power of language, emotion, and structure to captivate and connect with an audience.

As the workshop progresses, each of your virtual team members will have the opportunity to unleash their creativity and become a storyteller themselves. We'll provide a platform for individuals to share their own stories, encouraging an atmosphere of openness, vulnerability, and active listening.

Beyond the joy of sharing stories and receiving recognition, our storytelling workshops offer a unique opportunity for personal and professional growth. By investing in the development of storytelling skills, you empower your team members to become more effective communicators, engaging presenters, and influential leaders.

So, join us on this enriching journey of storytelling mastery. Equip your team with the tools and techniques to captivate, connect, and inspire through the power of storytelling. Let's create a culture of engaging narratives and forge stronger connections within your virtual team.

### Agenda

Welcome + intro	
Our expert storyteller host will welcome attendees and provide a detailed overview of what lies ahead. This informative introduction ensures that your guests are know what to expect from the workshop and warm them up to start brainstorming their best anecdotes.	5 minutes
Intro to our storytelling principles	
The host introduces the proprietary storytelling framework that Museum Hack guides and teambuilding.com event hosts have used for over a decade to engage audiences and deliver powerful messages.	10 minutes
Example story	
Our storymaster will demonstrate these techniques by sharing a sample story that incorporates all five essential elements of effective storytelling.	5 minutes
Detailed breakdown of the elements with exercises	
Workshop attendees will learn the key components through a comprehensive, play-by-play study of each individual elements. Each section will include explanation, examples, tips, and practice. These lessons are designed to suit learners of all styles and paces and make these concepts intelligible and instantly applicable to a wide audience.	40 minutes
Write your own stories	
Participants will immediately apply what they have learned by heading into breakout rooms to craft a story as a team. This step exists so that attendees can practice the concepts and better retain this new knowledge. Writing collectively ensures that participants will be comfortable sharing with the wider team, and that everyone has an opportunity for feedback regardless of time constraints. Plus, in work settings, teams often need to work together to craft messages, and the process of group storytelling differs from solo storytelling.	25 minutes
Story share-outs	
Attendees will reconvene in the main room, and each designated team representative will share their story with the wider group. Hosts and participants will offer feedback.	15 minutes
Debrief + future applications	
The host will recap the highlights of what the group has learned and created over the course of the past two hours, and give tips and examples of how attendees can use and leverage these new abilities outside of this workshop.	20 minutes
