New for 2024! Virtual + Hybrid 90 min 10 - 1,000 guests \$40 pp

Available October 01
Virtual Halloween Party is perfect for groups that want to celebrate the holiday, love competition and can't wait to get dressed up! You and your team will form Spooky Squads and compete in Halloween activities to find out who has the most scare-ific spirit.

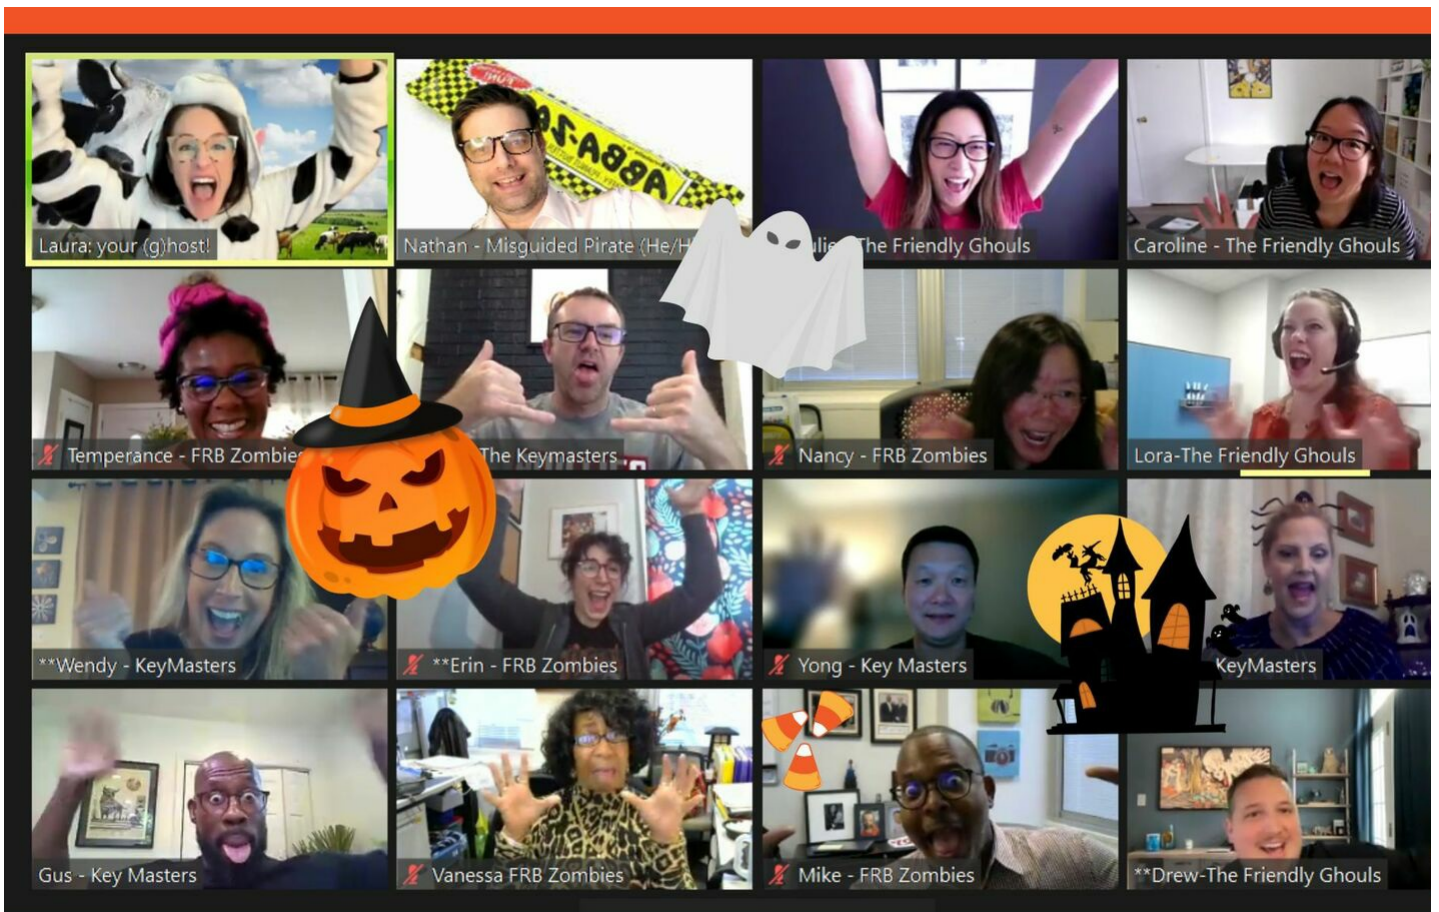

Each year, our host team reinvents this Halloween experience, so whether it is the first or fifth time your team is playing, the experience is brand new.

Past years included tasks like strategizing how to survive zombie apocalypses or booking a travel itinerary to the world's most haunted places. This year, teams will trick or treat and riddle their way to finding the houses with the best candy, along with plenty of other spirited mini games!

Throughout your Virtual Halloween Party, players are encouraged with "costume runs" where they can assemble a costume or add to an existing one by grabbing one accessory at a time. Naturally, for teams who dare to dress up, there is a costume contest!

This virtual party is great for teams in need of an energizer, laughter, and a deviously good Halloween hangout.

Halloween games + activities

You and your team will form Scary Squads and compete in Halloween activities to find out who has the most scare-ific spirit. Perfect for groups that love competition, getting a little bit silly, and can't wait to get dressed up! Past years' activities have included challenges like strategizing as a team to survive a zombie apocalypse, compiling impromptu costumes from objects around the house, and booking a travel itinerary to some of the world's most haunted destinations. However, each year's party is completely new and unique and goes far beyond typical virtual team building games to curate an experience that's novel, intensely interactive, and memorable!
