**4.96 / 5.0 rating** on 8871 reviews

New for 2025! Virtual + Hybrid 90 min 10 - 10,000 guests \$40 pp

Available November 09

Your team will celebrate winter holidays from around the world through high-energy games and activities. Earn points, share memories, and celebrate together! Perfect for teams looking for light competition and fast-paced energy.

Each year our creative team re-imagines the Virtual Holiday Party experience, so whether it is your team's first or fifth party, there are plenty of delightful holiday surprises in store!

Players will race to be the first to answer in main room challenges, and bond with their teams in breakout room huddles. While strategizing and working through challenges, players learn about their teammates' holiday stories, traditions, and favorite things.

This year, teams will engage in an event-long "snowball fight" game, where players will listen for secret words, leading up to the final White Elephant challenge, where teams must use strategy and wit to select the most valuable mystery presents.

Before wrapping up, your host names the victors because of course, while the holidays are about celebrating with your community, winning feels pretty good too!

Add a cocktail kit or a tasty treat box to kick your festive celebration up a notch!
