New! Virtual 45 min 10 - 1,000 guests \$30 pp

Our Vision Board event is all about the art of visualization and crafting personalized vision boards to help set meaningful goals and plans for the future.

Led by our skilled facilitator, you'll learn how to curate a visual collage of images, words, and intentions that reflect your professional goals, personal growth, and aspirations for the future.

Gather your favorite digital images, quotes, and ideas as we come together in a virtual space to ignite our creativity and set our intentions. From career milestones and skill development to work-life balance and personal achievements, your vision board will serve as a powerful tool to keep you focused, motivated, and inspired.

Engage in exercises and conversation to clarify your vision, share insights, and draw inspiration from fellow colleagues. As you collaborate and support each other's journeys, you'll help to cultivate a sense of unity and motivation within your team.

By the end of this empowering event, you'll have a virtual representation of your dreams and goals, ready to print and hang in your workspace -- or save to your desktop! -- as a daily reminder of what you're working towards.
