

# Virtual Bingo for Kids to Play

The teacher said,	A dog barked	The same kid answered three questions in a row	Classwork becomes homework because not everyone finished	Someone forgot to turn on their microphone
The teacher gave a pop-quiz	Someone spilled a drink	There was an Amazon delivery	Did chores during a class break	A cat walked across the computer
You ran out of time for a subject	The presentation took a while to load		There were loud background noises	Computer froze
The teacher asked everyone to go on mute.	Someone started coughing	Someone got kicked off the internet	The teacher had to leave for a minute	Mom or dad interrupted class
You forgot to do your homework	Multiple kids were talking at once	A sibling started crying	Two kids got in a debate or argument
